what are we
doing?

VIZYONUMUZ

Bulunduğumuz sektörde küresel bazda yarattığımız değeri sürdürülebilir büyümeyle koruyan, kalitesine güvenilen, Yoğun Ar-Ge çalışmalarının sonucunda üretilen yeniliklerle paydaşlarına ilham olan, çevreye ve insana duyarlı marka değeri oluşturmaktır.

OUR VISION

In the sector we operate in, our vision is to sustainably maintain the value we have created on a global scale. We aim to be a trusted brand known for its quality, inspiring stakeholders through innovations resulting from intensive research and development efforts. Our focus is on creating a brand value that is environmentally and socially responsible.

MİSYONUMUZ

Mobilya ve koltuk sektörünün lider firmalarına, katma değer üretmek, hızlı, kaliteli, yenilikçi ürünler sunmak, marka bilinirliğini artırmaktır. Hedeflerimize emin adımlarla ilerlerken çevreye duyarlı bir şekilde dünya standartlarının üstünde üretim yapmaya çalışarak ülkemize hem dış ticaret hem de istihdam anlamında fayda sağlamaktır.

OUR MISSION

Our mission is to provide added value to leading companies in the furniture and sofa sector, offering fast, high-quality, and innovative products to increase brand recognition. As we progress confidently toward our goals, we strive to produce above world standards in an environmentally conscious manner, benefiting our country in terms of foreign trade and employment.

HAKKIMIZDA

Ar-Ge ve Kalite odaklı altyapımız ve uzman kadromuzla İnegöl'de 5000 m2'lik kapalı alanda 2018 yılından beri entegre olarak, başta ülkemiz olmak üzere 24 farklı ülkeye, mobilya,koltuk ve aksesuar sektöründe aktif üretim yapan firmalara, mekanizma, yüzeyinde kaplama (galvano), statik boya ve yaş boya işlemlerini uygulayarak tedarik hizmeti vermekteyiz. Müşteri memnuniyetini hedef edinen anlayışla ve buna bağlı olarak üretimde kaliteye özen göstermekteyiz. London Metal markasıyla, hizmet verdiğimiz ürünler yüzey işlemleri laboratuvar ortamında testlere tabi tutulmuş ve geçerliliği kanıtlanmıştır.

Günümüzde hızla değişen ihtiyaç ve beklentilere, aynı hızla araştıran, üreten teknik ekibimizle zaman kavramını ön planda tutarak cevap vermekteyiz. Ar-Ge çalışmalarımızda müşterilerimizden gelen talepleri, sektörü de analiz ederek gerçekleştirmekteyiz. Yine müşterilerimizin talepleriniz doğrultusunda ürün standardının dışına çıkıp firmalarla özel Ar-Ge çalışmaları yapmaktayız. Yurt içinde olduğu kadar yurt dışında da talep gören ürün portföyüne sahip firmamız, ihracatlarıyla ülke ekonomisine de bu anlamda katma değer sağlamaktadır.

İç ve dış piyasada sağladığımız güvenle geldiğimiz yeri; teknolojik yenilikleri yakından inceleyerek, çalışanlarımızın sağlık ve güvenliğini önemseyerek kurmuş olduğumuz üretim sistemimiz ile araştırma ve geliştirme odaklı kaliteli üretim sürecimiz, satış öncesi ve sonrasında müşteri odaklı iş anlayışımızla daha da ileriye taşıma çabası içerisinde çalışmalarımızı sürdürmekteyiz.

ABOUT US

With our research and development-focused infrastructure and expert team, we have been providing integrated services since 2018 in a 5000 m2 indoor area in İnegöl. We cater to active production companies in the furniture, sofa, and accessory sector, serving 24 different countries including our own. We offer supply services by implementing mechanisms, surface coatings (galvanization), static and liquid painting processes.

With a customer satisfaction-oriented approach, we prioritize quality in production. Under the brand London Metal, the products we offer have undergone testing in a laboratory environment for surface treatments, proving their validity.

Adapting swiftly to the rapidly changing needs and expectations of today, our technical team is dedicated to producing while keeping time at the forefront. In our research and development efforts, we incorporate customer requests while analyzing the industry. We also engage in special R&D projects with companies, going beyond the standard product line according to our customers' requests. Our company, which boasts a product portfolio in demand both domestically and internationally, adds value to the national economy through exports.

Having reached our current position with trust established both domestically and internationally, our research and development-oriented quality production process, as well as our customer-focused approach before and after sales, contributes to taking our efforts to a higher level. This is done through our technological innovations and the production system we've established, which places emphasis on the health and safety of our employees.

A long, polished brass leg with a decorative cap. The leg is cylindrical and highly reflective, showing a bright golden-brown color. The cap at the top is also polished brass, featuring a decorative, slightly flared design. The leg is shown at an angle, highlighting its length and the smooth finish.
